As the leading community foundation focused on women and girls in the Chicago area, **Chicago Foundation for Women** (CFW) brings together civic and business leaders, advocates, and community members to work together to build a stronger region by investing in women, girls, trans and gender nonbinary people as catalysts.

The Annual Luncheon is CFW's signature fundraising event and plays a vital role in ensuring that CFW continues to lead, connect, and uplift individuals and organizations supporting basic rights and equal opportunities for women and girls.

## **Funds raised from the Annual Luncheon have helped CFW:**

- Impact the lives of 89,000+ individuals in the Chicago region
- Hosted 10 virtual events and held our first ever hybrid Annual Luncheon and Impact Awards
- Released SHEcovery™ CFW's roadmap for building an equitable recovery and addressing COVID-19's outsized impact on women and girls, particularly women and girls of color, focused on four key pillars: getting women back to work, addressing the eviction crisis, caring for our caregivers, and demanding, and anti-racist healthcare system
- Celebrated the fifth year of the innovative Englewood Women's Initiative
- Make CFW's most significant investment to date, granting \$3.2 million in responsive and strategic grants

Last year's Luncheon featured keynote speaker, Stacey Abrams. Stacey, voting rights activist, entrepreneur, and author made history and captured the nation's attention as the first Black woman to become the gubernatorial nominee for a major party in any state.

We are working on securing the 37<sup>th</sup> Annual Luncheon keynote speaker, and an announcement will be coming soon! The keynote speaker will be joined by a lineup of speakers who are leading the charge and creating change.

As we plan this year's 37<sup>th</sup> Annual Luncheon, we hope you will join us at this critical time for women and girls. **Please join us as a sponsor of the Annual Luncheon and support the women and girls of Chicago today.** If you are unable to attend, we hope you will still consider supporting our efforts as we continue the conversation and prepare for the work ahead.

Supporters of the Annual Luncheon aren't footing the bill for a party—they're empowering a meaningful convening of partners and investing in women and girls as catalysts.

**To ensure your spot, reserve your table sponsorship today!**
