## 39TH ANNUAL LUNCHEON

### About CFW:

Since 1985, Chicago Foundation for Women has invested more than \$48 million through over 4,900 grants, annually supporting 308,000 individuals across the Chicago region, so they are healthy, safe, and economically secure.

Nearly four decades later, CFW continues to be the only organization in the region to take a comprehensive approach to understand and address the issues facing Chicago-area women, girls, trans, and gender nonbinary individuals.

Funds raised from the Annual Luncheon have helped CFW:

- Improve the lives of over 308,000 individuals in the greater Chicago region
- Welcome the sixth cohort of Warriors to the Willie's Warriors Leadership Initiative for a total of over 100 program participants.
- Celebrate the 2nd year of the Reproductive Justice Champions.
- Make CFW's most significant investment to date, granting \$3.4 million in responsive and strategic grants.
