

# 40th Anniversary Luncheon

September 25, 2025 | Hilton Chicago

CFW's Annual Luncheon is the Foundation's flagship fundraising event and the largest women-focused gathering in Chicago, drawing close to 2,000 attendees from across the region to invest in building safe, just, and healthy communities for women, girls, and gender-expansive individuals. It celebrates the impact of CFW and its grantees while inspiring continued support for gender equity.

## Celebrate legacy. Fuel the future.

Supporters of the Annual Luncheon aren't footing the bill for a party, they're empowering a meaningful gathering of community partners while investing in women and girls as catalysts for creating a stronger, safer, and more just city for all. If you are unable to attend, we ask you to consider investing in critical programming that directly affects our community.

## 40 Years of Change. A Future in Motion.

In 1985, Marjorie Craig Benton, Sunny Fischer, Iris Kreig and Lucia Woods Lindley came together to address a problem. Less than 2% of philanthropic giving was going to issues most affecting women and girls.

Over the last four decades, CFW has championed community-based solutions and through grants and partnerships have transformed thousands of lives, fostering an inclusive, resilient, and equitable Chicago. As we mark our 40th Anniversary, your commitment will ensure that CFW can continue its vital work of investing in grassroots organizations and their leaders through capacity training, building networks that increase the visibility and power of advocacy of our grantee organizations and building pipelines of leaders who are creating systemic change. Since 1985 Chicago Foundation for Women has invested over \$50 million through over 5,000 grants.

### The Power of Giving with CFW

Giving to CFW is an investment in lasting, systemic change. As both funders and fundraisers, we amplify every dollar, ensuring grassroots organizations receive the strategic, sustained support they need to thrive. By bridging funders and frontline organizations, we create a powerful network that strengthens movements, fosters collaboration, and drives real impact.
